### COMMENTS

This evening we welcome our oldest County opponents Gloucester they come with a formidable record and justly claim to be the leading club in England this season. Congratulations to them on reaching the first Rugby Union Cup Final to be played at Twickenham on April 29th. Lydney also having a very fine season with some very fine wins to their credit and will be all out to keep their 1 year old Ground Record. The last club side to win at Regentholme being Gloucester winning by 16pts. to 11pts.
