CLUB NOTES . . .

This afternoon we extend a warm welcome to Gloucester. As is now usual, they appear to be set for a most successful season and last Wednesday beat our neighbours Abertillery 30 points to 16.

Last season was an outstanding one for them and they completed it by winning the RFU Cup, beating Moseley. Three of their players were members of the extremely successful English Rugby Tour to South Africa, in June. They are Tom Palmer, Alan Burton and John Watkins.

Welcome Gloucester.

Allen Tovey's try against Moseley must surely rank as one of his best. A strong determined run of about thirty yards ended when he carried two Moseley players over the line, to touch down. Mike Edwards also had a good game and kicked well. It was good to see Peter Moyle back after his injury and he, with Brian Lease and Graham Evans worked hard throughout in a game that was dominated by the strong Moseley pack.

Next Thursday we play the Bay Area Touring Side (BATS), kick-off 7.15 p.m. This should be an attractive game and your support will be much appreciated.

The Saracens will visit us next Saturday and then we go to Swansea on the 30th.
