A WELCOME TO OUR SOMERSET NEIGHBOURS

It is almost superfluous to welcome the Somerset team to the Memorial Ground, Bristol, considering the number of their players to whom this is a home ground. Nevertheless Gloucestershire warmly greets the Somerset team, their President, Alec Lewis and Officials, who should need no introduction to Rugby followers in this area.

The County Union is grateful to the Bristol Football Club for the facilities to stage today's game and express thanks to the Club's Officials for their help and co-operation.

Today's matches at Bristol and Redruth see the end of the scheduled programme of County Championship matches in the South-West, but it depends on the results whether there are to be any "play-offs" as there were last season. Naturally, I hope Gloucestershire will repeat the victory of last season's games, both of which provided much good Rugby, and trust that whatever the result all of us watching this afternoon will have been treated to an excellent performance of the true arts of Rugby Football.

C. GARDNER, President, G.R.F.U.
