

Newbridge Rugby Football Club

NEWBRIDGE

v

GLOUCESTER

Tuesday 27th March 1973

Kick-off 6 p.m.

This evening we entertain the formidable Gloucester XV. Our visitors possess an excellent pack, backed up by extremely hard running threequarters. They are a most difficult side to overcome, as their record suggest, and together with Cardiff, are the only club to win at Pontypool this season. On Saturday last the present Gloucester XV supplied the majority of the players making up the Gloucester County team.

The home side, although losing to Aberavon, put up a very creditable performance. One felt that it was a game of two halves. In the first half, we accepted only one of our many chances, whilst our visitors fully accepted their only two chances. This was one of those games which we should have won.

New second row, Roger White fitted smoothly into the Newbridge pack.

Although out of touch with his kicking, Tony Browning continues to impress with his electric running ! !

Finally we hope that the evening will be fine and that a grand game of rugby football will be enjoyed by all.
