CLUB NOTES

Today we extend a hearty welcome to our old rivals from Gloucester. There can be few encounters more keenly fought out than those between our two Clubs, and today will be no exception. Last Season we drew at Kingsholm and won by 12 pts. to 9 at home, and having had, on the whole, a good start to this Season, we shall be looking to do at least as well again.

John Pullin and his clubmates returning from New Zealand can expect a very hearty welcome when they appear on the Memorial Ground. Our sincerest congratulations to John on England's magnificent win and we can tell him straight away that we are very proud of him indeed.

We are also very pleased at the outcome of our visit to Swansea, more particularly after our disappointment at Cardiff. None the less, a good start as we have said.

INTERNATIONAL TICKETS

Members are asked to apply for Tickets for International Games to be played at Twickenham on the appropriate Application Forms and to send them with the necessary cheque/P.O. direct to the Hon. General Secretary.

As applications to the Rugby Union have to be made very early in the season members are advised to make their requests as soon as possible as no application can be accepted after the closing date given below:

England v. Ireland)	
)	Monday 1st October
England v. Wales)	

As the Club receives a very limited allocation of reserved Stand Tickets, it will be appreciated that the demand for these tickets will probably more than exceed our allocation. Members are therefore asked to state whether they will accept lower priced tickets in lieu.

Application forms are available from the Secretary's office or by stamped addressed envelope from the Hon. General Secretary.

Please assist the Membership Secretary by posting your subscription as early as possible, in the prepaid envelope supplied. If you decide against posting you can pay in the Social Clubhouse **before** each home game up to the 13th October. We shall welcome new members, and application should be made to Mr. Harry Inch.

Listen at half-time for the £5 prize-winning number.

Members and others who can assist by displaying Fixture Calendars in clubs, pubs and other prominent places are asked to apply at the Secretary's Office after the game.

The Supporters' Club will be glad of volunteers to sell draw tickets in the Social Club immediately after each 1st XV game. Those stalwarts ready to help should apply to Supporters' Club officials in the Clubhouse.

Players' Disco Dances will be held in the Clubhouse on 22nd September, and 6th and 20th October.
