ANOTHER WARM WELCOME TO THE STUDENTS

This evening's game gives us the very rare opportunity of extending a cordial welcome to our visitors for the second time in the same season; for our young friends from St. Luke's College appeared at Kingsholm as recently as last November 13 for, one readily recalls, the first round of the Rugby Union knock-out competition.

On that occasion Gloucester won through comfortably enough by 21 - 3, though they only scored two tries, by Stuart Dix and Eddie Pinkney. Peter Butler converted both and landed two penalty goals, while Bob Redwood added a dropped goal.

Last season's fixture with the College had to be cancelled because of the floodlighting ban, but the previous season, on Wednesday, February 7, 1973, the Cherry and Whites were again successful in a high-scoring game, by 22 - 13. Pinkney was once more among the try scorers, the others being John Bayliss and Tom Palmer, with Eric Stephens converting two and adding two penalty goals.

We look forward to such another entertaining game this evening and sincerely trust the Students will enjoy their brief visit to our ground and fair city yet again.

KINGSHOLM KACKLE

Heartiest congratulations to our great blind-side flanker, John Watkins, on regaining his rightful place in the England side for the match against France at Twickenham on Saturday. Most of us agree that his recall is long overdue, but now that he is back we all hope that John plays a 'stormer' against the French.

He played a leading role in that magnificent victory over Cambridge University at Kingsholm last Saturday. Those fortunate enough to see that match will not readily forget the superb display given by all the lads, and it will long be a topic of animated conversation among highly delighted supporters. In this irrepressible form there will be few able to lower the Cherry and White's colours.

Next **Friday evening**, January 31, Gloucester travel to meet strong rivals and neighbours Bristol at the Memorial Ground, kick-off 7.30 p.m. Then, on **Saturday week**, February 8, comes the second round 'cup' match against Moseley at the Reddings, and the lads will need all the support they can get. The special coach from Kingsholm, leaving at 12 noon, is now full, but should there be sufficient support another coach will be run. Please book with Jim Holder as soon as possible. Supporters travelling 'under their own steam' may now obtain tickets for the match from the Gloucester R.F.C. Secretary, Roy Long, at the office on the ground this evening.

Because of the Bristol game on Friday, the January draw in the *250 Club* monthly competition will take place in the Social Club next Thursday evening at 9.00 p.m.
