WESTON-SUPER-MARE v. GLOUCESTER

Good evening to you all, and welcome to the Recreation Ground for the first home game of our Centenary Season which we have all been waiting for.

May we offer a particular welcome to our visitors GLOUCESTER who are playing us tonight in one of our special celebration games. It has been a good fifteen years since we last played them and they have proved recently to be one of the most powerful sides in British rugby. They are at full strength tonight with 14 county players and 5 full internationals (Peter Butler, Peter Kingston, Mike Burton, Alan Brinn and John Watkins) all playing. We look forward to an enterprising encounter and hope they enjoy their visit to our club.

The match ball for this game has been kindly donated by Messrs. Clarks Ltd., and the manager of their Bushacre Factory, Mr. R. G. Bell, will be present on this occasion.

The Club's Centenary Book is now on sale to the public priced 50p. This excellent publication contains 18,500 words and 35 illustrations and is available behind the Bar or from
