Tonight's match against Gloucester is always one of the big occasions of the year at Fromehall Park and we hope this game will be no exception.

The Stroud Club extend a very warm welcome to Gloucester - both teams will be looking for a win tonight. Gloucester with a draw and 2 defeats in their last 3 games will be all out to recapture winning form, and Stroud will be equally keen to repeat the excellent form they showed at Oxford on Saturday.

Roger Wicks and David Vaughan have joined Stroud from Cirencester and we all hope they will enjoy their rugby at Fromehall Park. Steve Clewes has left for Kingsholm and with him go all good wishes from the club.

May we also take this opportunity of welcoming all new Vice-Presidents and Members for the season 1975 - 76. May we see you all frequently at the Park.
