### CLUB NOTES

Gloucester, are visitors to-day with their traditional strong pack and forwards, excellent at scrum half and full back. Are too well known to us in the south of the County to require a detailed introduction. They have probably not yet found their true form, and although they beat Stroud 30-9 on Wednesday, they have lost to Fylde and the French side Begle and drawn with Coventry.

Bristol are on their home ground again after their two visits to S. Wales, and we are pleased to record two excellent wins over Swansea and Abertillery.

We are indebted to Hill House (Insurance Brokers) Ltd., Initial House, Lewins Mead, Bristol 1 for the gift of the match ball used in today's game.

Why not become a member of the B.F.C.? It is still the cheapest way to pay for regular visits to the Memorial Ground. Howard Williams, the Hon. Membership Secretary, and his helpers, will be available in the Social Club before each home game for the next few weeks to enrol new members and collect cash from existing members. Mr. Williams can also be contacted at 20 Wickham View BS16 1TH (Phone: 654983).

Bristol Colts XV started the season with two excellent wins they beat Glamorgan Wanderers Colts 76-0 and Clifton Colts 40-0, they lost on Wednesday against South Monmouth Youth 4-13, you will have a chance to see these youngsters in action next Saturday on this ground they play Bridgend Youth **K.O.** 3.15 pm
