A MESSAGE FROM THE N.E.C. PRESIDENT

(Mr S. W. Malan)

It is with great pleasure that I welcome the Gloucestershire Touring XV in the North Eastern Cape. We are particularly privileged to be the first Union hosting the touring team.

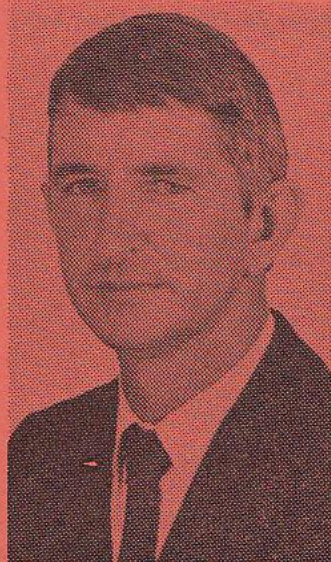

With the hospitality, which is so typical of people in the rural areas, I believe that your stay here will be a pleasant one.

We also wish you success with your tour and may the best team win.

This is also a special match for us because North Eastern Cape is 10 years old this year, and we look upon this match as a festival match.

I wish to express my thanks to everyone, who for the past ten years, have made contributions to place our Union on firm foundations.

May we look to the future and build on these foundations so that we can go from strength to strength.
