REFEREE:- TOMMY MAY (Cornwall Referees Society)

For the third time in eight days, St. Ives spectators will be privileged to see International players at the Recreation Ground. Tonight's visitors, Gloucester, this season's John Player Cup Winners, include Peter Butler, Mike Burton and John Watkins in their selected XV.

We make one enforced change from the side narrowly defeated by Ebbw Vale on Saturday, with Pat Rescorl replacing Matthew Stevens at Lock. The team's spirited display against one of the strongest clubs in Welsh rugby must rate as the best of the season. It is very evident that team spirit has reached a high point but regrettable that it should have taken until now.

Next 1st XV Game is on Wednesday evening against Truro.
