Graham Voss

## STROUD v GLOUCESTER

Wednesday September 6th K.O. - 6.15 p.m.

Referee - Mr. P. Ingles (Staffs Society)

It is with much pleasure that we welcome Gloucester, John Player cup winners of last season, to Fromehall Park this evening. Gloucester, who had an excellent win on Saturday over Broughton Park, will be keen to maintain that form tonight.

Stroud with an equally impressive win played very well at Bridgewater on Saturday, and to Phil Day goes everyone's best wishes for a successful season.

To the County and County officials we wish them every success in this their Centenary year - may their Centenary game at Kingsholm later this month be a huge success.

All Rugby folk in Gloucestershire, and indeed England and Wales, were deeply saddened over the weekend with the news of the death of Ben Edwards. Deeply respected throughout the Rugby scene he will be very much missed. To his family goes our deepest sympathy in their sad bereavement. All supporters are invited to join the players in a minutes silence before tonight's game as a mark of respect to Ben Edwards.

## GLOUCESTER
