Stroud v Gloucester  
Wednesday 1st September, 1982.  
Kick Off: 6.15

Referee: Mr. Chris Leeke (East Midlands Society)

For our first game of the season we welcome our very powerful neighbours Gloucester the joint holders of the John Player Cup to Fromehall Park.

The Stroud side sees no new faces although Alan Dix replaces the ever present Martin Finch at prop and Francis Russell returns from the wilderness after having some outstanding trial games at flanker.

Tonights game is very important for both sides with Gloucester embarking on a very hard fixture list in September and Stroud looking for a good result with Bass Merit games coming against Bridgwater and Clifton on successive Saturdays.

Finally on behalf of the Club we wish to thank Moreton C. Cullimore for their kind generosity in sponsoring tonights game.

### Next games at Fromehall Park

4th Sept. 82. Gothamites v Minety 1st XV KO 3.00  
 Maranders v Minety 2nd XV KO 4.30  
 11th Sept. 82. Nomads v Clifton Wanderers KO 3.00
