# MOSELEY NEWS

## ●MOSELEY v GLOUCESTER

The writer would like to take this opportunity of wishing the players, members and supporters, a Very Happy and Prosperous New Year. This includes our visitors from Gloucester.

What a way to start a New Year, Cardiff on New Year's Day (away) and Gloucester this afternoon, not forgetting Coventry on Boxing Day.

Our opponents are having a mixed season, rather like ourselves, and recently on our opponents ground we were narrowly beaten by a couple of points—13-15.

This was a most exciting match and was shown on *BBC TWO* on Sunday afternoon, and compared more than favourably with most on the 'box'.

Because of the ridiculous time of televising these games not many people are able to view. Perhaps those responsible might do something about it.

It is of interest that in the latest edition of *RUGBY WORLD* under the heading *Club Matches of the Year*, there is the following... Gloucester v Moseley, two weeks ago, and Moseley v Liverpool, *John Player Cup*, quarter-final last season.

At the time of writing these notes neither side had been selected, but it is anticipated that both sides will be at more or less full strength.

Since the 1964 season Gloucester have won 17 games, Moseley 13, and four games ended in draws.

In the Third Round of the *John Player Cup* Gloucester have drawn London Welsh at home.

Owing to the Christmas and New Year Holidays, the writer apologises for the lack of more up-to-date news.

This afternoon's game is being sponsored by *GKN CHEP LIMITED*, and we hope that they and their guests will have an enjoyable afternoon.

## ●RUGBY UNION—LIFE BOAT APPEAL

The Rugby Union have asked all clubs to contribute in some form or another towards the purchase of new Life Boats and Equipment. Last year 258 Life Boats were launched some 3,000 times and over 1,000 lives were saved by these dedicated volunteers.

A collection will be held at half-time this afternoon, and it is hoped that supporters will give generously.
