### TODAY'S VISITORS & TEAM NEWS

This afternoon we welcome Gloucester to Chelsfield Grove for what we feel will be a real test of our fighting qualities. Gloucester, one of the strongest club sides in the country and with Bristol, the main suppliers of county players to the Gloucestershire side, have held the upper hand against us for some seasons now. Our unbeaten run of six games will be severely tested this afternoon but whatever the result the lads from the West country will return home to Kingsholm knowing that they have been in a game.

Our second welcome this afternoon goes to our match sponsors, B.M.K. Limited, and on behalf of the committee I would like to thank their Chairman, John Logue, and their Manchester Office Sales Director, Fred Nicholls, for their generous help in staging this fixture. We all hope that they have an enjoyable day. Without sponsorship of this nature, running a rugby club would prove to be even more financially difficult than it is at present. So remember, those of you who are contemplating buying a new carpet in the near future, have a word with Fred Nicholls after the game, I am sure that he will be able to help you.

Next home match: 3rd DECEMBER V MIDDLESBOROUGH  
Match Ball Sponsor needed. Cost £25. Any body interested? See me!
