Tonight we welcome our old rivals Gloucester for their annual visit to the Prince of Wales Stadium. It is hoped that tonight's encounter will prove to be as exciting and entertaining as the game at Kingsholm last November. That game was won by Gloucester, but not until the lively Cheltenham side had taken a well deserved half time lead of 12 points to 6. Gloucester gradually overhauled the Town and eventually took the lead 12 minutes from full time to win by 21 points to 16.

A former Town player Larry Cummins is included at No. 8 for the cherry and whites tonight. And opposing him in the Town side is Pat Poulton. Both players joined the Cheltenham Club several years ago from the Old Patesians, the nursery for so many Town players over the years.

We have just learnt that due to their commitments to both the John Player Cup and the County Championship final, Bath will be unable to visit the Town for the game due to be played next Wednesday 28th March. However the two fixtures for next season have been confirmed and we look forward to welcoming them on at least one of those occasions.

The pre-match entertainment this evening is provided by the City of Gloucester Blue Devils Marching Youth Band under the patronage of Mrs Sally Oppenheim, M.P. The band was formed two years ago and its fifty members are both boys and girls aged between 11 and 17. The band is run by David Boughton who says they are eager to hear from anyone who would like them to perform at school and village fetes etc. They can be contacted by ringing Newent 820034. There will be a collection made by the band for their funds.

The Town's next home fixture will be on Saturday against Birmingham, kick-off 3.00 p.m.
