The Ball for today's game kindly donated by Paul R. Denning, Collier & Brain Ltd.

This evening it is with great pleasure that we welcome mighty Gloucester to Regentholme; for their annual Easter visit. This without doubt will be Lydney's toughest test so far. After their disappointment in losing to Bath Gloucester will not want to lose any more games.

They must still be literally kicking themselves for missing out against Bath after dominating the game for almost 80 minutes. Gloucester still have a chance of qualifying for next year's John Player Cup and we sincerely hope they do, for it surely devalues the competition if one of the top four clubs in England are excluded.

Lydney's record against Gloucester has been good in recent years. Although on Boxing day this season we were well beaten. For this evening's game there is just two changes,

young Peter Macey takes over from Roger Trafford in the front row and Tony Curtis returns to No.8 in place of Keith Davis who is on the subs bench for England Students against Welsh Students at Swansea today.

Injuries are still disrupting the team with Roger Trafford out for the rest of the season with a serious arm injury and Andy Eagles still not fit. Leading try scorer is Paul Howell on 22 tries will Mark Fennell on 16 tries.

Congratulations to the Colts team who won the County Colts Cup last Sunday defeating Gordon League 23 points to nil. They gave a powerful performance and lifted the cup without a point scored against them in the competition.

On Saturday the first XV travel to play United Services at Portsmouth. The Colts XV play Berry Hill at Lydney.
