TOWN v CITY

Gloucester won the first of the two annual encounters between Cheltenham and Gloucester, by 18pts to nil and the town will hope to redress the balance tonight.

Gloucester have named a very strong side for the occasion, after losing narrowly to Orrell on Saturday. We are informed that tonight's side, apart from possibly three players, will be the team to take on London Scottish, in the quarter finals of the John Player Special Cup this Saturday.

Cheltenham first visit to Penarth on Saturday for nearly 20 years, found the Welshmen in pretty good form, scoring six tries to our one, a late effort by skipper, Nigel Smart.

This coming Saturday the premier side has a fixture with Brixham, who gave Launceston a 22pts to 6pts hiding at the weekend, and have been known to surprise Bath.

Cheltenham RFC very much appreciate the sponsorship of the Cheltenham & Gloucester Building Society for this game and trust their guests will enjoy the evening. We are also grateful to Martin & Co. Ltd. jewellers goldsmiths and silversmiths, The Promenade for sponsorship of the match ball.
