Club Notes

Welcome to today's Quarter Final of the John Player Special Cup and a special welcome to our friends Gloucester. Gloucester reached this stage of the competition when, like ourselves, they played after many postponements, their fourth round match, in their case Saracens, in our case Northampton. Those of our supporters who did not drown themselves in alcohol to forget it, will remember that when we last met Gloucester in January, we came — how shall I put it — a poor second.

One Scottish player who will be making his debut at the Athletic Ground today will be Lindsay Renwick, who although he joined us from Sale in January, because of the bad weather and away fixtures, has not yet set foot on our hallowed turf!

The item of news which has given us the greatest pleasure this week has been the selection of Gavin Hastings for the British Lions. Our congratulations to Gavin whom we welcome back into the side this week after his absence in Dublin. Two other welcome returnees are Tim Paterson-Brown on the wing and John Fraser at tight head prop.

We hope that our supporters and the no doubt hundreds of Gloucester supporters enjoy an exciting and far less one sided game today.

Our grateful thanks go to Tesco for supporting today's game and to Charles MacKinlay for as usual providing the liquid prize for our raffle.
