

OFFICIAL PROGRAMME

SEASON 1986-87

**Berry Hill
Rugby
Football Club**

Tonight's visitors, Gloucester United, are unbeaten and will give the 1st XV one of their sternest tests of the season.

The County Cup Final success has been tempered with unprecedented number of injuries that has left the 1sts and United depleted in strength for the last few weeks.

JULIAN HORROBIN, NEIL BOLLEN, LIONEL SMITH and possibly TIM PRICE are all out for the rest of the season, but ROGER PICKETT, TERRY RUCK, IRVING NEWTON and CHRIS HALE have declared themselves fit, while PHIL JONES is hoping to return soon.

I am sure that everybody hopes that tonight's game will live up to the quality of last year's which ended up with a Berry Hill victory, and we bid Gloucester welcome.

The game's receipts are being donated to the Berry Hill Old Folks Committee Funds.

Forthcoming Games:

Saturday: Colts v Monmouth, away; United v Cainscross, home; Extras v Cainscross 2nds, away; Wasps v Cainscross 3rds, home; Hornets v Cainscross 4ths, away.

Tonight's game has been kindly sponsored by:
