This evening it is with great pleasure that we welcome our mighty rivals from Gloucester for the traditional Easter match. Gloucester have had a successful season in results but were very disappointed to miss out again in the John Player Cup. Success though in this and other competitions are never far away from one of the country's leading clubs.

Our visitors having lost their last two games will be looking to get back on the winning trail again this evening, and have named a very powerful team. Congratulations to skipper Malcolm Preedy on reaching his 200th game for Gloucester and Richard Pascall on his 150th.

Lydney have had a mixed season so far with a number of young players forcing their way into the team, skipper Mike Howells has been keen to use any talented youngsters and has encouraged them both on and off the field.

Although the county cup went by the wayside Lydney still have an excellent chance of winning the Bass South West Merit Table in probably its last year. With three more games left winning all three will see it clinched for Lydney.

For this evening's game Gerry Price comes into centre and skipper Mike Howells moves to the wing. Robert Carpenter returns at wing forward with Pete Davis replacing Peter Macey.

On Saturday Lydney entertain Barnstaple at Regentholme and on Tuesday next Lydney Utd. play Berry Hill at Lydney. K.O. 6.30pm.

Congratulations to the U15's on winning the Arthur Hudson County Cup and also to the U17's on reaching the final.
