GLOUCESTER ARE HERE AGAIN !

Gloucester are paying their second visit to the Prince of Wales stadium this season to-night, and we give a warm welcome to their officials and team, as well as their spectators.

When Gloucester came to the stadium at the end of January we had an exciting game, which resulted in a win for Cheltenham, and the City can be sure of a tough match this evening.

The win against the City proved to be a turning point for Cheltenham, who have had eight wins on consecutive Saturdays since, including important league victories against Southend and, last Saturday, away, to Streatham-Croydon. After trailing by six points, 12 minutes from the final whistle, the Town turned on a magnificent performance to score 19 points, without reply.

Please note: The game, originally scheduled for Sat., March 19th. at Penarth, will be played there on Friday, March 18th, to avoid clashing with international games.

Saturday, March 26th. is another vital day for us, when we meet Stroud, in the last league game of the season, on the stadium (k.o. 3pm). We need all possible spectator support.

OUR THANKS

Our grateful thanks to Jackson-Stops & Staff, Surveyors, Auctioneers and Property Consultants, of Cirencester, for ball sponsorship this evening.
