This Evenings Match is
Sponsored By :
Richard Cound BMW Ltd., Gloucester

It is with great pleasure that we welcome our old friends Gloucester RFC to Fromehall Park this evening. Our visitors have made a most impressive start to the season with a tremendous 35 -13 win over Swansea on Saturday and it will require great committment from our side if we are to make any impression on one of the finest club sides in the country.

We were forced to make several changes on Saturday following the defeat suffered at Bristol. The players settled quite well in a game that was never a classic, and put into perspective tonights encounter is a very different ball-game.

Alan Dix has not fully recovered from the leg injury suffered at Bristol and is replaced in the front row by Billy Coole, with Dave Strain taking over the captaincy. Brendan Duffy retains the full-back position with Lee Hathaway coming in on the wing at the expense of Stan Bembridge, Mark Burford and Richard Powis are the other changes.

Next Saturday marks the first Area League South game which is away at Havant, there are a few seats on the players coach and anyone wishing to travel should contact Nobby Hall.

There are a few places on the coach trip to the SOUTH WEST V AUSTRALIA match at Bristol on Wednesday 26th October, Tickets are all £6.00 STAND plus £2.00 travel fare, again contact Nobby.
