## **Programme Notes by W. A. D. LAWRIE**

This afternoon we extend a very warm welcome to one of the leading Clubs in England—GLOUCESTER.

Unfortunately time has not permitted my being able to give any details of their record to date and information about leading players, etc.

One outstanding victory was the defeat of Bath in the Courage League at Gloucester. The Clubs are very keen rivals and it will be interesting to see how they finish up at the end of the 1989/90 season.

Mention must be made of MIKE TEAGUE who is back in tremendous form, and who was nominated as "Man of the Series" in the recent British Lions tour in Australia.

Although he is not named in today's line-up we shall look forward to seeing him in action for the Public Schools Wanderers XV which

we meet on the Brewery Field on Tuesday next—2nd January for a special match to officially open the new Clubhouse extensions.

We extend our best wishes to everyone connected with the Gloucester Club for 1990, and will be looking forward with anticipation to our next visit to Kingsholm.

For BRIDGEND . . . a Holiday games squad has been named for today's game against GLOUCESTER, MAESTEG (Away—Boxing Day), and PUBLIC SCHOOLS WANDERERS (Home—Tuesday 2nd January). This is because the Club printers will be closed from 21st December to 2nd January. Please bear with us on this.

The PUBLIC SCHOOLS WANDERERS team appears on Page 7 of this programme. It is anticipated that there will be very few changes from this selected team which should add up to a cracking match.
