## Club Notes

### TODAY'S MATCH SPONSOR

# STURGIS INTERNATIONAL

We welcome George & Martin Sturgis as today's match sponsors and hope that they and their guests have an enjoyable afternoon. The Club are grateful for their continued support of the Park.

After the flurry of International matches last weekend we return once again to the Courage League and on this occasion we extend a warm welcome to our West Country visitors Gloucester. Last season Gloucester were runners up both in the League Division One and the Pilkington Cup – an impressive performance by any standards. Perhaps their start to this season in the League has not been as sharp as in previous years, but clearly in their most recent match against Nottingham they are back in winning form with three push-over tries and an impressive display of place kicking by Tim Smith. To their President Canon Hughes and Chairman Peter Ford, Committee and supporters, welcome once again to Roehampton.

What of Park's fortunes of late. After a thoroughly thrilling game against Leicester, no guesses what Laurie Prideux should get from Father Christmas this year, you have got it – a new watch! A week later Park travelled to Moseley and inflicted another defeat on the luckless Midland side. The afternoon proved that to win you must take your chances and Park certainly proved that plus also the fact that a successful team usually contains a first class kicker, to that end John Graves has already proved the point. John has now scored over 100 points, 104 to be precise and showed again he has a safe pair of hands under pressure. That win took Park to six points in the League. Interestingly enough in the Park's two defeats of the season neither of our opponents Quins and Orrell crossed the line. Park will today be playing in our alternate strip. I am sure we are all looking forward to what could turn out to be the match of the day.

As many of you will be aware on Saturday 24th November we will be playing Coventry away in the third round of the Pilkington Cup. Supporters wishing to travel should contact Don Bell, who hopefully will be able to give them details of the Travel arrangements.

We would like to offer our congratulations to Simon Dear, Paul Essenhigh and Stewart Davies who were all involved in the England 'B' matches last weekend. The competition for places in the England Squad is very hard but it is good to see that effort and performance has been recognised.

On the social side the Car Lottery is now in full swing. Remember we need your support to make it a success. Several members have already sold over £000's worth of tickets and to the person who sells the most tickets by December 1st A.G.R. alias the President will be donating his 1974 Lions jersey. Some of the money raised is being donated to the Leukaemia Research Fund, the remainder to the Park, so sell as many tickets as possible to support these two worthy causes.

Still in the Club scene the winners of the September 400 Club draw were £300 John Lowth, £100 Mike Maseyk, £75 Eric Mountjoy, £75 Mark Packham. In October the winner was Ken Evans. The 400 Club still needs more members. Remember your support means financial help to the Club, application forms to join are obtainable in the Clubhouse.

For your future entertainment here at Roehampton we are pleased to announce that on Saturday 1st December a Rosslyn Park XV will be playing Tbilisi from Georgia, Russia here at Roehampton. This will be a morning kick-off to allow supporters time to travel to the Stoop to watch the Divisional match London v North. Tbilisi are four times winners of the Russian Championship and are at present lying 6th in the League. Our Clubcall phone line will have more details including kick-off time nearer the day.

To add more international flavour to the festive month of December we are pleased to announce that on Tuesday evening 11th December following the Varsity Match, here at Roehampton Rosslyn Park will be playing Wellington from New Zealand. I am told on good authority that they will be at full strength for the only match in England, they will in fact be touring France. The kick-off time has yet to be finalised but will probably be around 6.30 pm. The game will be followed by the annual Gentlemen's Evening, tickets are now on sale. Further details can be obtained from Paul Bailey on 0737 370293.
