Welcome to Gloucester

We extend a very warm welcome to the players, officials and large contingent of supporters of the Gloucester club who are making only their second visit to Moss Lane. One of the best two supported clubs in the country, Gloucester have always been at the forefront of English rugby and have, as you can see from today's team sheet brought a very experienced side. Of the side that visited Moss Lane two seasons ago, the half backs, Hamlin and Hannaford and the back row trio of Gadd, Smith and Teague return to Moss Lane and with a very strong front five, they provide formidable opposition. The last time that their centre D. Caskie was at Moss Lane was when he was playing with London Scottish and we were taken to task by his mother for spelling his surname incorrectly, we have got it right today we hope! The editor would like to extend a special welcome to one of Gloucester's more fervent supporters, Mr. Barnfield who is now wondering how we know of his connection with our visitors (A phone call to Croglin will help him to find out!).

The referee today is Mr. Tony Spreadbury of the Somerset Society. He is an R.F.U. referee and an international panel member. We welcome him to Moss Lane and hope that he enjoys his game.

Last Saturday we had a good win by 27 points to 10, away at Bedford. Our team selection today reflects the excellent team performance and outstanding performance by certain individuals.

Next Saturday, we are away to Division Two side, Waterloo. No doubt this will be a very hard

fought game and our team will need all the support that it can get. Our touchline observations could be quite helpful to the referee as well!

Lancashire Cup

On Sunday the 20th of this month we have been drawn at home to Vale of Lune in the 1st Round of the Lancashire Cup. The following Saturday we have an open date as we are no longer in the Pilkington Cup and London Irish are. Fixture Secretary John Robertson will no doubt be on the look out for a suitable home fixture on that date. Keep your eye on the local press for details.

We often hear members complaining about the difficulties that the 1st XV are having scoring points through goal kicks. If you think that the 1st XV are in difficulties, spare a thought for the poor Veterans. In the last three home games they have scored 128 points, only eight of which has come via the boot.
