WELCOME TO OUR VISITORS GLOUCESTERSHIRE

Tonight, Warwickshire welcome our friends from Gloucestershire in a friendly game, giving an opportunity to play and see a relaxed game of Rugby away from the pressures of league football. It is hoped that this game will help both Counties to prepare their challenge for the County Championship (this season the County Championship is free of League football).

Warwickshire and Gloucestershire are and always have been great supporters of County Rugby and we would like to thank both squads of players for their support.

Warwickshire would like to express their thanks to the Nuneaton Club for the use of their facilities for tonight's game.

We would also like to record our thanks to the sponsors of our County.
