## SUSSEX PRESIDENT'S MESSAGE

I AM DELIGHTED TO WELCOME players, officials, and supporters from Gloucestershire RFU for today's C.I.S. Insurance County Championship and hope you enjoy your visit to Sussex.

Our last encounter with Gloucestershire was at Lydney in 1991, when Sussex lost to the last kick of the match.

Let us hope today's game is full of movement and flair, exciting and enjoyable for players and spectators and at no-side, we enjoy the memory of a fair encounter and the camaraderie of post-match celebrations.

May I also welcome today's Match Officials, and hope they too have a happy visit to Sussex.

I am sure that Gloucestershire join me in thanking C.I.S. for their generous sponsorship of the County Championship, which still (and quite rightly) holds a vital position in English Rugby Football. Away from the comfort of their Club teams, it gives many players a first real taste of representative rugby as the first step to higher honours. How refreshing this season to see players who have reached great heights returning to their County to pass on experience and help shape the future.

Thanks also to the Worthing Club for making their excellent ground and facilities available to us today.

Finally, either Sussex, Gloucestershire or Devon can win through to the Quarter-Final today.

Good luck to both Teams and Match Officials – see you in the bar afterwards.

**Bob Rogers**
