

THE KINGSHOLM AQUARIUM.

TIDDLERS AND ELVERS.

By "TEEK."

WE ALL HAD THE OPPORTUNITY OF STUDYING AQUATIC LIFE AT KINGSHOLM AQUARIUM ON SAT. LAST WHEN A SHOAL OF GLOSTER TIDDLERS, TIDDLED THEM-

SELVES TO VICTORY AGAINST A VERY CAPABLE AND TIDDLESOME SHOAL OF LEICESTER TIDDLERS BY THE ONLY SCORE OF THE GAME I.E. 3 PTS.

THE LEICESTER SCRUM-HALF WAS SURELY THE SMALLEST MORTAL EVER SEEN AT KINGSHOLM

BUT THAT DIDN'T STOP HIM STICKING LIKE A LIMPET TO ANY OPPONENT WHO HAPPENED TO BE PASSING BY WITH THE BALL.

IN THESE DAYS OF BOBS, SHINGLES AND ETON CROPS THE STYLE ADOPTED BY ONE OF THE LEICESTER TIDDLERS (A FORWARD) WILL, I'M SURE, BE OF INTEREST.

THE HAIR WAS CUT ON WHAT MIGHT BE

Y PRINCIPLE, THE TOP STORY BEING ADJUSTABLE TO THE WEATHER. ON FIFTEEN LIVELY FOREST-BRED ELVERS FROM YARKLEY

AND WENT DOWN TO GLOUCESTER A BY 16 PTS. TO 3.
